FORMAT

- **Round Robin games:** 2 points for a win, 0 points for a loss & 1 point for a tie. Top 2 teams after Round Robin play advance to Championship game. Tiebreakers used per USA Hockey Annual Guide, beginning on page 159.
- All Girls U12 & U16 games must have a winner. All other games, except for Sunday's final game, remain a tie.
- Each team is allowed one timeout per game. Must be properly requested during line change procedure.
- For all games except Girl's U12, following the resurfacing, all non-starting players must proceed from their locker room directly to their player's bench. Only starting players are permitted on the ice following the resurfacing.
- When resurfacing the ice between periods, place 12 minutes on the game clock and start the clock before the officials leave the ice.
- **OVERTIME:** Games ending in a tie that require a winner will play an 8 Minute Sudden Victory overtime period. If a tie still exists, teams will leave ice for a resurfacing. Teams will not change ends and will play an Overtime period of the same duration as a regular period for the level being played. This will continue until a winner is determined. There will be a two (2) minute break between overtime periods. The ice will be resurfaced every 2 periods, except Girls U12 will be every 3 periods.
- All Team Officials on the bench must be designated on the score sheet for each team, with appropriate CEP information listed per USA Hockey Annual Guide.

RUNNING TIME – ALL GAMES

Any time a team has a six (6) goal lead the game will go to running time. Stop time will resume only if the lead is below six (6) goals.

During running time:

- The clock is stopped when a goal is scored, to assess a penalty, for injuries or at the direction of the on-ice officials. Once the puck is dropped to restart play, running time resumes.
- Running time continues during the serving of all penalties.
- ***If a penalty expires during a stoppage of play the penalized player must remain in the penalty box until the puck is dropped to start play.***
- If a player is serving a penalty that must wait for a stoppage of play, (e.g. misconduct, co-incidental minors) the player may return to the ice during the stoppage if it does not hold up play. Otherwise the player must wait until the next stoppage of play.
